Extremely kind and professional service. It was well worth getting their help in the application for a Portuguese Residence Permit.

Rui Cunha

Não posso deixar de expressar a minha mais profunda gratidão à excepcional equipa da NFS Advogados que acompanhou a minha esposa no processo de obtenção de autorização de residência junto do SEF. Desde o primeiro momento em que entrei em contato com eles, percebi que estava nas mãos de verdadeiros profissionais, dedicados e comprometidos em alcançar resultados concretos.

Bridget Marie

An excellent service. We managed to book an appointment at very late notice. The advice we received answered all of our queries in a professional yet friendly manner. I feel confident in using the services in future and am incredibly grateful for the time and advice we were given. Would highly recommend.
